(c)

(1) With respect to contributions from multicandidate political campaign committees for each election:

(B) A candidate for any other state or local public office shall not accept in the aggregate more than two hundred thousand dollars (\$200,000) from multicandidate political campaign committees.

(2) In determining the aggregate limits established by this subsection (c), contributions made to a candidate by a committee controlled by a political party on the national, state, or local level or by a caucus of such political party established by members of either house of the general assembly are not included.

(d) On January 1, 2021, and every two (2) years thereafter, each contribution limit established in subsection (a), (b), or (c), must be adjusted to reflect the percentage of change in the average consumer price index (all items - city average), as published by the United States department of labor, bureau of labor statistics, for the two-year period immediately preceding. Each adjustment under this subsection (d) must be rounded to the nearest multiple of one hundred dollars (\$100). The registry of election finance shall publish each such adjusted amount on its website.
